The term "grimoire" traditionally refers to a book of magic spells, rituals, and instructions for summoning spirits. Incorporating this concept into an art book adds a fascinating layer of authenticity and mystique.

How the Grimoire Concept Enhances the Artistic Narrative

By structuring the art book as a “grimoire,” the creators invite readers into a fictional world where each succubus character could be seen as a summoned entity with distinct powers and stories. This framing device transforms the book from a simple collection of images into a lore-rich compendium that fans can immerse themselves in.

Integration of Occult and Mythological References

Throughout the volume, references to classical demonology, such as the 72 demons listed in the Lesser Key of Solomon, are reimagined as “Goetia Girls,” each with unique traits and aesthetics.
