What Is the LETRS 1 4 Post Test?

The LETRS 1 4 post test is an assessment designed to evaluate participants' mastery of the first four modules of the LETRS program. These modules cover foundational topics such as the science of reading, phonological awareness, phonics instruction, and fluency development. The post test typically includes multiple-choice questions, short answers, and application-based scenarios that reflect the instructional strategies and theoretical knowledge presented during the modules.

Since LETRS is grounded in research-based practices, the post test challenges educators to think critically about how they would implement these strategies in real classroom settings. Therefore, understanding the rationale behind each answer is just as important as knowing the correct choice itself.

Core Topics Assessed in LETRS 1 4
